About INFLIBNET

The Information and Library Network (INFLIBNET) Centre is an autonomous Inter-University Centre (IUC) of the University Grants Commission (UGC) located in the Infocity, Gandhinagar. Major activities and services of the Centre are geared towards modernization of academic libraries and information centres, promotion of information transfer and access, and support for scholarship, learning, and academic pursuits.The Centre acts as a nodal agency for networking of libraries and Information centres in universities, institutions of higher learning, and R & D institutions in India.The Centre was established as an independent autonomous Inter-University Centre of the UGC in May 1996 and set out to be a major player for promoting scholarly communication among academicians and researchers across the country.With technology being a driving force in the contemporary education system, the INFLIBNET Centre has taken up a number of initiatives for the benefit of the academic community in India.

About Jharkhand Rai University

Jharkhand Rai University (JRU) is one of the esteemed University in the state of Jharkhand established under "Jharkhand Act 03 of 2012" by Jharkhand State Legislature. Since its establishment in 2012, JRU has gained a prominent reputation for its outstanding achievements in academics, research and innovation. The spirit of innovation, modernization and student centric teaching – learning approach blended with strong Mentorship Program is the corner – stone of academics at Jharkhand Rai University. The focus on building skills, value system and character are the integral part of Jharkhand Rai University academic system. The University focus on holistic education ecosystem, where the goal is not to make students just work-ready but also good human beings. The University offers Diplomas, Undergraduate Degrees, Postgraduate Degrees and Doctoral programs in different disciplines."
