

# User Awareness Programme on **IRINS and INFLIBNET Services** for Scholarly Communities

**Information and Library Network (INFLIBNET) Centre  
Gandhinagar, Gujarat**

In Collaboration With

**National Forensic Sciences University Goa Campus**

**February 23, 2026**

## About INFLIBNET

The Information and Library Network (INFLIBNET) Centre is an autonomous Inter-University Centre (IUC) of the University Grants Commission (UGC) located in the Infocity, Gandhinagar. Major activities and services of the Centre are geared towards modernization of academic libraries and information centres, promotion of information transfer and access, and support for scholarship, learning, and academic pursuits. The Centre acts as a nodal agency for networking of libraries and information centres in universities, institutions of higher learning, and R & D institutions in India. The Centre was established as an independent autonomous Inter-University Centre of the UGC in May 1996 and set out to be a major player for promoting scholarly communication among academicians and researchers across the country. With technology being a driving force in the contemporary education system, the INFLIBNET Centre has taken up a number of initiatives for the benefit of the academic community in India.

## About National Forensic Sciences University Goa Campus

National Forensic Sciences University (NFSU) is an Institute of National Importance (INI) under the Ministry of Home Affairs, Government of India, and is the world's first university exclusively dedicated to forensic science, forensic medicine, cyber security, digital forensics, and allied disciplines.

The Goa Campus of NFSU focuses on capacity building, skill development, and advanced education in cyber forensics, digital investigation, cyber security, and emerging technologies. The campus actively collaborates with national institutions, law enforcement agencies, and research organizations to promote academic excellence, research, and professional training in forensic sciences and related domains.

## Major Topics

- ❖ Indian Research Information Network System (IRINS)
- ❖ SheRNI
- ❖ One Nation One Subscription (ONOS)
